Junction Box

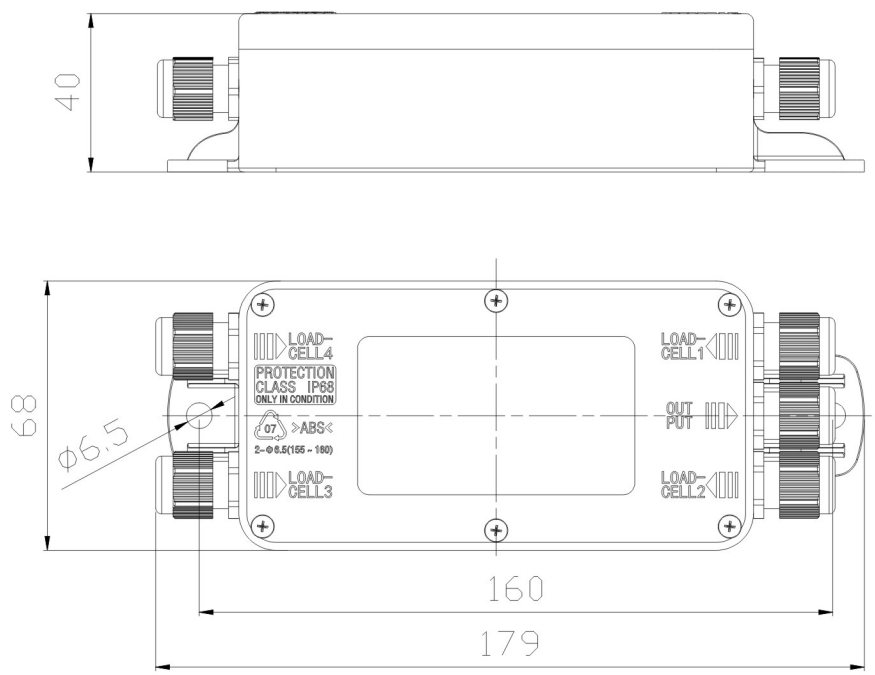
Model: A5P-IP68

Scan this QR Code:

Specifications:

- Housing material: Plastic
- IP rating: IP68
- Max number of load cells: 4PCS
- Trimming: Individual cell with excitation or signal trim
- Connector: M12 plastic connectors
- Install Dimension: 4-φ7mmφ
- Mounting hole center:155-160mm
- Dimension: 179x68x40mm
- Optional: *Lightning Protection model*

Dimension(mm):



Junction Box

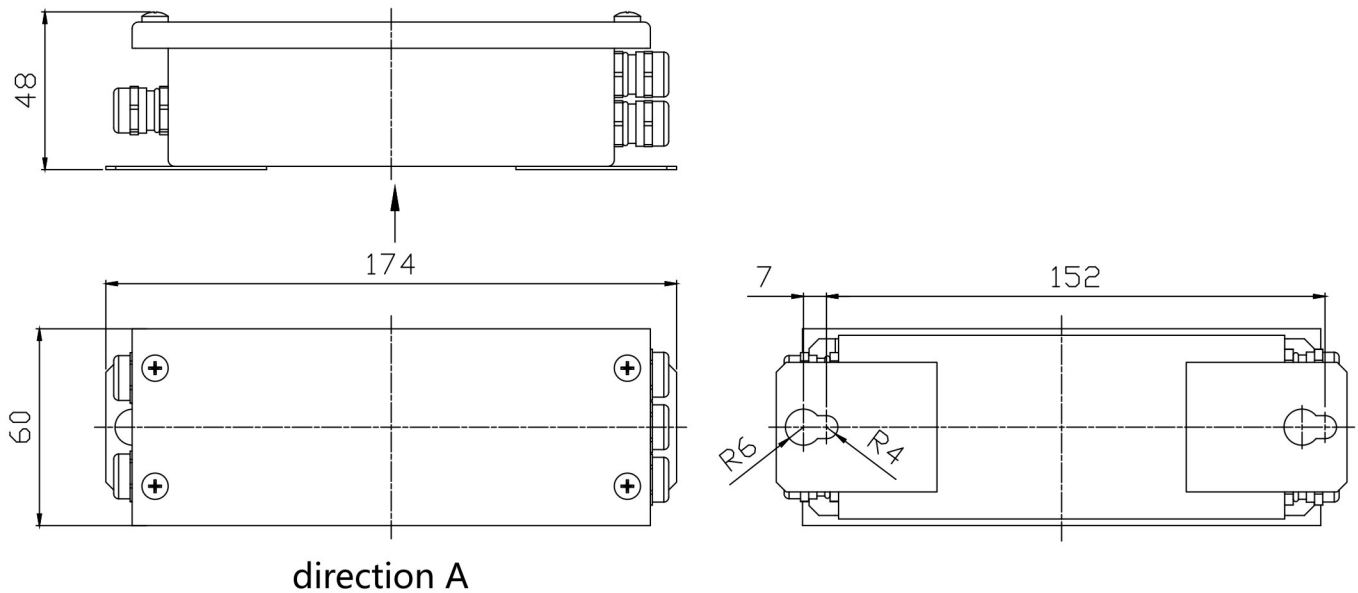
Model: A5-1

Scan this QR Code:

Specifications:

- Housing material: Stainless steel
- IP rating: IP65
- Max number of load cells: 4PCS
- Trimming: Individual cell with excitation or signal trim
- Connector: M12 plastic connectors
- Install Dimension: 2-φ7mm
- Mounting hole center:150-155mm
- Dimension: 174x60x48mm
- Optional: *Explosion-proof model / Lightning Protection model / HUMMEL Connectors*

Dimension(mm):



Junction Box

Model: B5

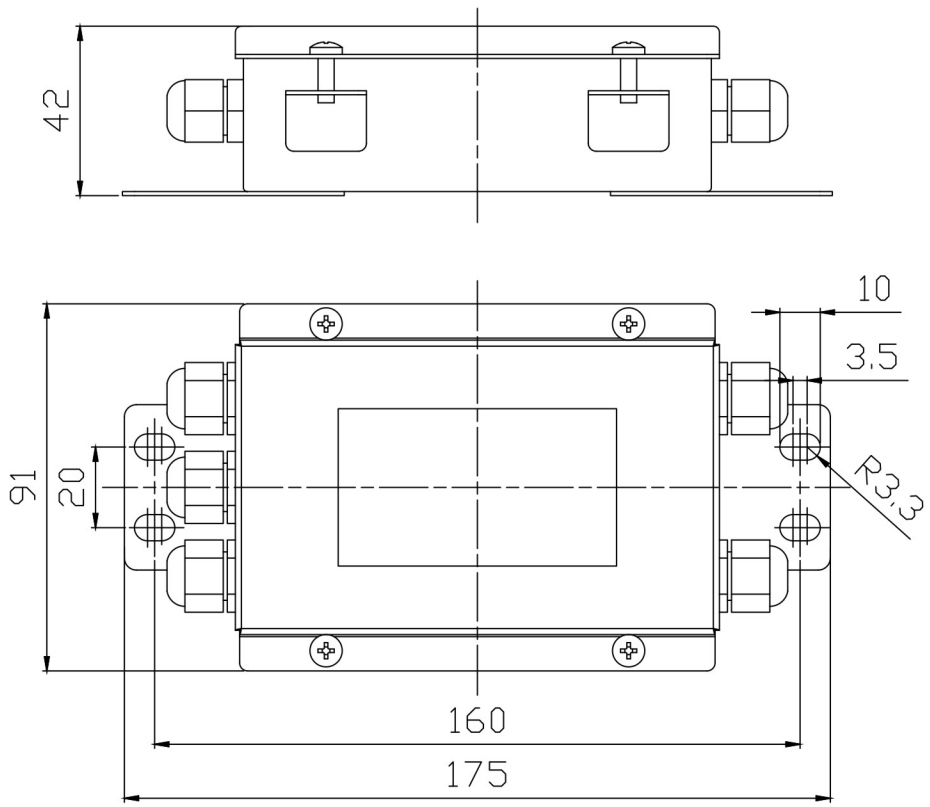
Specifications:

- Housing material: Stainless steel
- IP rating: IP65
- Max number of load cells: 4PCS
- Trimming: Individual cell with excitation or signal trim
- Connector: M12 plastic connectors
- Installation size: 4-φ7mm
- Mounting hole center: 20mmx160-165mm
- Dimension: 175x91x42mm
- Optional: *Explosion-proof model / Lightning Protection model / HUMMEL Connectors*

Dimension(mm):



Junction Box

Model: B5-IP68

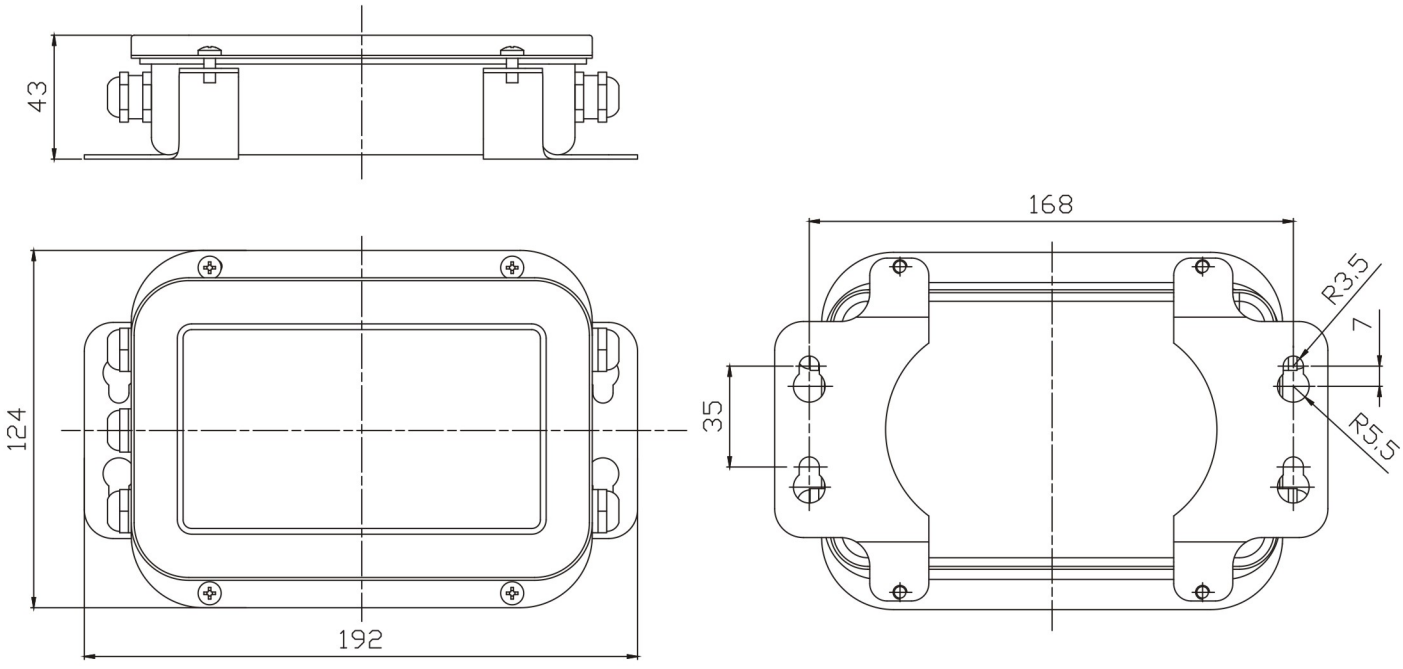
Specifications:

- Housing material: Stainless steel
- IP rating: IP68
- Max number of load cells: 4PCS
- Trimming: Individual cell with excitation or signal trim
- Connector: M12 metal connectors
- Installation size: 4-φ7mm
- Mounting hole center: 35-168mm
- Dimension: 192x124x43mm
- Optional:*Explosion-proof model / Lightning Protection model*

Dimension(mm):



Direction A

Junction Box

Model: C9

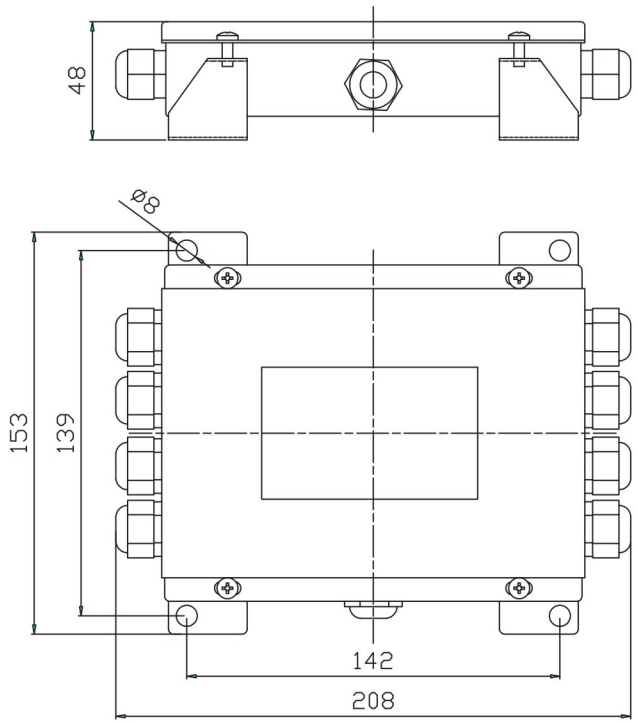
Specifications:

- Housing material: Stainless steel
- IP rating: IP65
- Max number of load cells: 8PCS
- Trimming: Individual cell with excitation or signal trim
- Connector: M16 plastic connectors
- Install Dimension: 4-φ7mm
- Mounting hole center:138-143mm
- Dimension: 208x153x48mm
- Optional: *Explosion-proof model / Lightning Protection model / HUMMEL Connectors*

Dimension(mm):



Junction Box

Model: C11

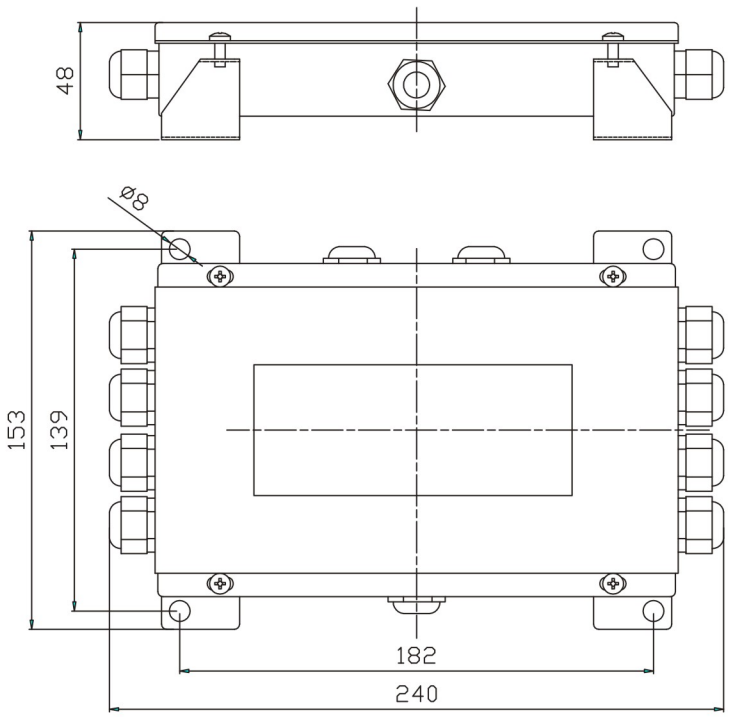
Specifications:

- Housing material: Stainless steel
- IP rating: IP65
- Max number of load cells: 10PCS
- Trimming: Individual cell with excitation or signal trim
- Connector: M16 plastic connectors
- Install Dimension: 4-φ7mm
- Mounting hole center:138-175mm
- Dimension: 240x153x48mm
- Optional: *Explosion-proof model / Lightning Protection model / HUMMEL Connectors*

Dimension(mm):



Junction Box

Model: C7P

Scan this QR Code:

Specifications:

- Housing material: Plastic
- IP rating: IP66
- Max number of load cells: 6PCS
- Trimming: Individual cell with excitation or signal trim
- Connector: M16 plastic connectors
- Install Dimension: 4-φ7mm
- Mounting hole center:138-143mm
- Dimension: 210x167x68mm
- Optional: *HUMMEL Connectors*
